

Flávia Dias

Software Developer

Leeds, England • 07588847788 • flaviadias97@yahoo.com • [LinkedIn](#) • [GitHub](#)

A dedicated and passionate Web Developer with a background in healthcare, transitioning into tech with a focus on full-stack web development. Equipped with a strong foundation in HTML, CSS, JavaScript, and React.js, I excel at building responsive, user-centric applications. I am a quick learner, problem-solver, and team player with experience in collaborative environments. I aim to contribute to innovative projects and continuously enhance user experiences through intuitive, accessible web applications. I am also bilingual - English (Advanced), and Portuguese (Native).

TECHNICAL SKILLS

- **Frontend:** HTML5, CSS3, JavaScript, React.js
- **Backend:** Node.js, Express.js, Python
- **Tools & Platforms:** Git (Version Control)
